But I like to think that he takes them out at night and sniffs them."

Kelly didn't think that thanking her principal for helping her get into the college of her choice was going to be a big deal. Not until she caught him and his wife in an awkward position in his office. She thought that would be the end of it, and she'd go home disappointed. Little did the valedictorian know, she was about to start a semester of…

HUMMER SCHOOL

The halls were empty, lockers standing open. Garbage cans stood sentry, overflowing with end-of-year debris. Kelly jogged up the stairs, hoping she wasn't too late. It was only quarter after three, but the school felt like a ghost town. Not surprising, though, considering it was the last day of classes.

The light in principal Ryan's office was on, bringing a smile to her face. It wasn't too late after all! She rapped on the door, hearing shuffling on the other side. Yes! He hadn't left ye–

"Principal Ryan? I'm so glad you're still…here…"

She lurched to a stop. Principal Ryan was there all right, just as she'd been hoping. Unfortunately, he wasn't alone. And by the looks of things, Kelly had interrupted something that wasn't school business.

"Special K!" Ryan said, using his nickname for her. "C'mon in!"

She did, but felt uncomfortable. The woman by the desk ran her hand through her hair. It didn't quite do the trick. Kelly had a sneaky suspicion as to how the woman's amber locks had gotten mussed, picturing principal Ryan clutching a fistful of it while his free hand had been wandering elsewhere. She wasn't sure how she knew that, she just did. She'd have bet the diploma she'd gotten the previous night on it. Not only that, but who could blame him? The woman was hot. Tall and slender, with a waistline tailor-made for hip-huggers and a Grade-A pair. Kelly wished she had boobs that nice. Returning her attention to her principal, it wasn't the only thing she wished she had.

"Kelly, I'd like you to meet my wife, Christa."

Wife? Kelly didn't even know he was married.

"So you're Kelly," Christa said, extending a hand. "James has told me so much about you. Congratulations! Valedictorian, huh? That's pretty impressive."

Kelly shook her hand, offering up a weak smile. The woman looked familiar, but Kelly couldn't place her.

"She earned it," Ryan said, beaming. Kelly felt sick. She'd been fantasizing about this meeting for weeks. Ever since she'd gotten her letter of acceptance. Her mom had graduated from Boston College, and so that's where she wanted to go. Principal Ryan had been a big help, writing her a killer letter of recommendation. She'd waited until today to say thanks. Giving him a great big hug was a top priority. Maybe getting one in return? The idea had crossed her mind a time or two hundred. So much for that now, though.

"I, uh, just wanted to say thanks for the letter you wrote," Kelly managed, trying to hide her disappointment. "I know it made all the difference in getting in."

They had been kissing! It was obvious, now that she could see the bulge in his pants. She tried not to stare, shooting a quick look Christa's way to see if she'd noticed. The woman was smiling, too, though. *Gulp*. Caught.

Principal Ryan came around the desk and put his broad hands on her shoulders. Kelly was jealous. Christa had those any time she wanted. Kelly could only imagine what it would feel like to have Ryan's fingers up her snatch. Those huge hands cupping her small breasts, or grabbing hold of her ass. Pulling her tight against him. His erection mashed against her…

"Kelly?"

She snapped back to reality, thighs tingling and a warm sensation spreading through her pussy. Principal Ryan was looking at her, a little puzzled. Christa, on the other hand, appeared to be stifling a laugh. Uh oh. What had she missed?

"When are you planning your first visit to campus?" Christa supplied, still grinning.

"Oh! I'm going up with my mom for July fourth weekend."

"That's great," Ryan said. "You're going to do terrific!" He threw his arms around her–the hug she'd been hoping for. Over his shoulder, Kelly met Christa's eyes. Her expression must've given her away. Ryan's big cock was pressed against her hip, impossible to ignore. Christa had to know, right? Maybe? Almost on cue, Christa gave her a wink.

She knew. No doubt about it. Christa was watching her husband–who they both knew was turned on–grind his dick against his former student's thigh. Didn't she care, Kelly wondered. If the situation were reversed, she was sure she would be jealous, even though…well, even though she had to admit, it was pretty fucking hot.

The hug lasted even longer than she'd imagined in her pre-bedtime fantasy sessions, fingerfucking herself under the blankets. When Ryan let her go, she felt funny down there. Really funny. She took a deep breath. Then did a double take. Christa's blouse. Had that second button been undone a minute ago? She didn't think so. In fact, no, it hadn't. She'd noticed Christa's tits the second she'd walked in the door. But she hadn't seen that much cleavage. Or, the top of her bra, which was now quite visible. It was a sexy, lacy thing that Kelly wished she could fill out like that. Christa had her Bs by at least a couple of cups, though.

"You okay, Kelly?" Ryan asked, putting an arm around her shoulder. "You look a little uptight."

She looked up at him, then back at Christa. His dick was firmly planted against her right ass cheek. Christa ran her tongue over her upper lip.

"You're right, James. She is."

"Is? Is what?" Kelly croaked, mouth gone dry. Christa fingered the next button on her blouse. It popped open, helped by the weight of her heaving boobs.

"Sexy as fuck," Christa explained, crossing to where she stood. "And I mean sexy, as, fuck."

She planted her lips on Kelly's, taking the teenager by surprise. The kiss started slow, but got going fast. Christa's tongue explored Kelly's mouth, eager and aggressive. Kelly trembled, overwhelmed by everything that was going on. She'd never kissed a girl before. Hadn't given it much thought, either. But now? Now she wished she'd considered it earlier. Her bloomers were absolutely soaked.

Her zipper came down. She couldn't tell who'd pulled it, but didn't care. She just wanted things to keep going.

Ryan peeled off her top while Christa nibbled her way down to her small breasts.

"Not going to need this for a while," she commented, tossing aside Kelly's bra. Kelly's pink nipples felt like they were going to burst they were so swollen. Christa took one in her mouth while Principal Ryan fondled the other.

"Bet you'd like me to do this somewhere else, wouldn't you?" Christa asked, their eyes locking.

"W-what do you mean?"

"I mean," Christa said, drawing it out. "I bet you'd like for me to use my tongue like this…on your pussy."

"You wanna go down on me?" Kelly sputtered shyly.

Alexis
"The secret to doing my homework is having a hot fantasy and a hard cum first!"

Alexis isn't into studying, but she found a trick that makes homework easier.

It's no surprise that this blonde bombshell is popular at school. She can get any guy she wants, and she often does. But as a result of all her hooking up, her grades have suffered. Now it's time to play catch up, but studying doesn't come naturally to her. "I just get so distracted. All I can think about is sex! So one day when I couldn't concentrate I fingered myself until I came. Then after that I was actually able to complete my assignment."

What did you think about?

"I though about a guy coming over and kneeling between my legs and eating my pussy until I glazed his face with my girl juice. Then I imagined him putting me on the table, spreading my legs and fucking me nice and hard. I had a nice orgasm to that fantasy, so now I always masturbate before homework. It really clears my mind. Who knows, maybe it'll even make me an A student!"

HUMMER SCHOOL

Continued from page 28

"I want to taste you," Christa answered, nodding. Her fingers were already tugging at the waistband of Kelly's undies. "I want to have your juice in my mouth."

"She's something else with her tongue," Ryan said. "Trust me on that one."

He pinched her rock-hard bud. Kelly groaned. Her panties fell around her ankles.

"Ooh, sweet," Christa cooed, approving of the youngster's neatly trimmed V. Kelly liked to keep things neat down there. Not that she had a boyfriend to appreciate it at the moment, but still. You never knew, right?

Christa's tongue split her lips, the tip lingering delicately on Kelly's greasy clit. Her peach fuzz was matted with wetness. The teen watched Christa tongue her sweet spot. Nectar trickled out of her dewy slit as the older woman ate her out.

Principal Ryan hadn't been lying about his wife's oral sex talent. A shudder coursed through her. Her toes dug into the carpet as her breath quickened.

Ryan noticed, too. He took Kelly's hands and placed them on the back of Christa's head. Then he covered them with his own, and thrusting against her butt, pulled Christa's face into Kelly's slit.

"Unh-unh-unh-UNH!"

The orgasm was explosive. She arched her back, cum streaming out of her. Christa didn't stop, though, jamming a finger up Kelly's cunt and coaxing two more climaxes out of her in rapid succession.

Kelly cried out, unable to hold back. Tears rolled down her face, it felt so good. Ryan adjusted her hand. Her fingers clamped down on his huge prick. She rubbed his oozing tip with her thumb.

Christa got up, wiping her mouth with the back of her hand. Her cheeks glistened with Kelly's girl cream. Though she was still wearing her skirt, her panties had also found their way to the floor, and she clutched the edge of Ryan's desk as she got herself off. When her hand emerged, her middle and index fingers were both coated in lube.

Ryan bent Kelly over the desk, his pecker tucked between her taut lips. He pulled back slowly, his tip finding the mark.

He asked if she was ready. She nodded. Then he gave it to her, the way she'd been dreaming of. One second, nothing. The next, what she guessed was eight inches of man meat filled her fuck tunnel. Her slick walls cradled his cock for a long moment while he held still, buried balls-deep in her gash.

"It's…so…big…" she whimpered, grasping Christa's hand. Ryan's muff-munching MILF squeezed her hand back.

"You oughta try taking him in your mouth," Christa said, eyes growing wide. "Sure glad I don't have tonsils."

"Or a gag reflex," Ryan added, pounding Kelly from behind, giving her inexperienced lovehole all it could handle.

Kelly laid her head on the desk, Ryan's thrusts nudging it closer to the window. She saw some of her former classmates, still gathered outside, taking pictures. Renee Cole was down there, shaking her ass with one of the other cheerleaders. Dannica Maddis was getting in close with Billy Keefe, whose hand she could picture glued to Dannica's butt. Dannica had been going on and on during lunch about how she was going to give it up to him this weekend, after the senior bonfire. It made Kelly want to open up the window and call down, "Hey, Dannica! Guess who doesn't need to go to the beach to get laid?"

Then again, probably not. She didn't think she'd have enough air in her lungs to be heard from up on the third floor. Principal Ryan seemed hell bent on fucking it all out of her.

He drove into her again, slowing up before he pulled out. Kelly shut her eyes. Wasn't going to take long. Couple more…thrusts like that and the whole desk, might wind up against the wall, her face flattened against the window. But she didn't care. She focused on Ryan's cock thrusting in and out of her. Her view out the window disappeared. Christa slipped into Ryan's office chair, nothing on now but her bra, which she was working to unfasten. Boy was the underwire in that thing working overtime. Freed from their confines, Christa's breasts, firm and perfect, filled her eyes.

"Whaddya think?" Christa asked, hefting one. "Like them?"

"They're gorgeous," Kelly answered, ogling them. Christa leaned back in the chair, putting her pedicured toes on the desk to steady herself. She watched Kelly's reaction as she cupped her tit, and brought her nipple to her mouth.

Kelly reached out, trying to touch Christa's lonely boob, but it was just out of reach. She stretched, her pussy strained to the max with Ryan's cock pummeling her dripping box. So close. She was so close.

And then it happened. Ryan hit her G spot and Kelly all but had a seizure as she got off. The desk jumped, the movement pushing the chair back against the glass. Christa giggled. Her hand fell squarely on

Christa's juicy boob as her own feet left the floor.

Ryan wrapped Kelly's legs around him, holding her in place, hammering her doggie style. His balls beat against her labia, her outer folds stretched taut with excitement.

She opened her mouth to gasp for breath, but Christa packed it instead with tit, her dark nip pushed against Kelly's novice tongue.

Kelly didn't care. Almost all of this was new to her. But, so what if she was inexperienced? Effort had gotten her straight As and a 4.0 grade point average, hadn't it? She had no reservations at all about putting that same effort into sucking Christa's tit.

"Oh, yeah, Kelly. Keep doing it."

Now, both of Christa's heels were up on the desk, and Kelly watched as she parted her lips with one hand and fingered herself with the other, grinding her thumb into her clit, rocking her hips, twat sauce staining the leather seat. Kelly saw the tiny puddle forming. Wanted to pull herself across the desk and lap it up.

Ryan groaned. Kelly wondered if he was about to cum, and if so, how he'd do it. Would he pull out, or shoot all over her back? He liked groping her ass, though, so maybe he'd just jam it between her cheeks and pump her ass crack full of jizz. *Mmmmmm*, she thought. That possibility jumped to the top of her list. It was so dirty. She wanted it. Wanted it a lot.

"I need you to cum, Principal Ryan," she begged, looking back at him. "I want you to shoot your load all over me."

"I think we can make that happen," Christa proclaimed. Kelly turned back to look at her, but found herself staring into a sexy patch of amber fur.

"First things first, though," Christa finished, guiding Kelly's mouth to her quivering vulva.

Kelly grunted, her pussy nearly numb from the drilling it had taken. Christa's mound was glorious. She inhaled the scent of her sex and dove right in, twirling her tongue around Christa's button, alternating between going at it hard and backing off, like a cat at the milk bowl.

Christa dug her nails into Kelly's

scalp, hips swaying side to side, Kelly tasting a woman's cum for the first time. She looked up, saw Christa give her husband a nod. She buried her face in Christa's garden again, expecting to feel her canal flooded with semen. Only, that didn't happen.

Her mouth was what flooded. Christa's ooze coated her tongue, the taste of it like melted butter.

In a heartbeat, her feet were back on the floor, her pussy unexplainedly empty. Had…had she done something wrong?

Wobbly-legged, Christa came around the desk, taking Kelly's hand and pulling her down beside her, the two of them on their knees, Ryan looming over them, the shadow of his prick across their faces.

"How about it?" Christa challenged, taking Ryan's nutsac in her palm. "Wanna give it a try?"

Kelly did. She took a couple of inches into her mouth while Christa worked his shaft, stroking beads of pre-cum into her hungry mouth, along with her own fluids.

Even with two hands, Kelly still had a good amount of dick in her mouth. When she broke for air, Christa didn't miss a beat, practically inhaling Ryan's massive hard-on. Her cheek bulged. She put Kelly's hand on his nuts, smiling around the mouthful of meat. Again, she winked. Kelly understood.

She took his balls in her mouth.

"She does learn quick," Christa said, impressed.

Kelly sucked the remnants of herself off his jewel bag, Christa drooling and slobbering all over his manhood. This time, Kelly didn't wait. She simply took hold of Ryan's shaft and began jacking him. Ryan was breathing hard, gritting his teeth. With a small thrust, he stuffed twice as much cock into Kelly's mouth as she'd taken before. Kelly's eyes went wide. Even a little bit more and it would be the most dick she'd ever held between her lips. Only, it wasn't nearly all of him. Christa's voice filled her ear.

"Told you. That man is one tough deep throat."

Kelly, who had absolutely zero deep throating experience, wasn't about to disagree. Not that she was

Kharlie

"I let a boy watch me tinkle in the bathroom! Then I fingered myself in front of him! That was a first for me."

Kharlie didn't know that some guys like to watch girls pee.

To Kharlie, peeing is just regular business. Everyone does it. But then she found out that her crush was into watching girls pee, and she discovered a new fetish. "I didn't know guys liked that, but my crush told me that it turned him on. So I was like, okay, let's go to the bathroom! At first I felt a little shy peeing in front of him, but once I got started it just gushed out of me. I don't know what it was about it, but I liked it! He got a hard-on and started touching himself, so I did the same. I fingered myself right there on the toilet while he watched."

Did you guys end up having sex in the bathroom?

"We didn't have sex in the bathroom because someone could have walked in at any moment, and we didn't want to get caught. But we were both so horny! We got out of there and went back to his car and started fooling around in there. I was ready to go! So he reclined his seat, and I got on top and we started fucking. Now we always sneak into public bathrooms so that he can watch me pee. There's just something extra naughty about doing it in public."

BRACE-FACE CUTIES

Our tightest tinsel-toothed teens!

LIZA

They may be trying to straighten their teeth, but we think these brace-face teens already have perfect smiles! Our models will often tell us how they can't wait to get their braces off, but we enjoy their metal mouths while they last. So here's a group of brace-face cuties who are smiling wide and spreading wide just for your pleasure!
PIPER

Even though they have braces, these girls know how to suck cock! "At first it took me some practice to get used to it, but now my braces don't get in the way at all when I give BJs," said Sally. As for Jean, she enjoys it when a guy cums on her braces. "The first time I asked a guy to jizz on my braces, he was shocked," Jean said. "But once I convinced him it was okay, he blew the biggest load I've ever seen on my mouth."

SINDY

KRISTINA

Sindy was one of our friskiest tinsel teens. She had a lezzie encounter, a three-way and fucked a couple of cocks in our studio. Kyleigh also got her pussy stuffed and filled with a gooey creampie. Kristina only fucked herself, but we enjoyed watching her diddle her little, bald clam all the same. As long as we get to see a brace-face cum, we're happy!

KYLEIGH

Jennifer
"I left a pussy juice stain on the carpet at the library. Oops!"

Nerds like cock too!

Jennifer is a bit of a nerd at school. She gets good grades. She's on the debate team. She spends a lot of time in the library. But just because she's a nerd doesn't mean she's a prude. "I dream about sex all day! And honestly, one of the main reasons I like going to the library is because I can masturbate there!"

How do you get away with masturbating in the library?

Hardly anyone is ever in there, especially during lunch, which is my favorite time to go. I just cuddle up in an aisle that has a really boring topic, like local history, and get to work. I put a book on my lap just in case, and then I slip my hand inside my panties and diddle myself till I cum. And since the library is really quiet, I can hear if anyone is coming my way. Haven't gotten caught yet!"

Rachel
"I like it when my nips get hard and poke through my shirt."

Rachel is flat as a board and proud!

While the other girls at school are stuffing their bras, trying to make their boobs look bigger, Rachel is happy being a part of the ittie bitty titty committee. "Having a flat chest really doesn't bother me. Well, it used to. But then I overheard one of my teachers, who is super hot, say that he doesn't mind it when girls are small on top. He was talking to another teacher and didn't know I was listening. Ever since then I've been wearing tight tops to show off my tiny boobs. Sometimes I won't even wear a bra. I mean, what's the point? It's not like I need one! I think I even caught him staring at my chest one day when it was really cold and my nipples were hard."

Do you think about this teacher when you masturbate? We bet you do!

"Of course I do. He's my biggest crush right now. He probably won't fool around with me while I'm a student, but you better believe that after I graduate I'm paying him a visit! I'm dying to feel his cock inside me. I want it in my mouth, in my pussy and even in my ass. He can totally have my anal cherry."

bereft of cocksucking experience. She might be boyfriend-free at present, but she'd dated some, and had what she considered a reasonable amount of blow jobs under her belt. But the guys she'd given head? None were hung like Principal Ryan. Plus, those were high school guys. They were just happy to be getting sucked off.

Christa's turn. She gave Kelly another wink, opened wide and tilted her head back, getting in an awful lot of boner before it was just too much. Christa might not have a gag reflex, but Ryan's dick was the kind of thing you saw in pornos. It reminded her of a t-shirt she'd seen a girl wearing at a concert. The slogan said: You have ten inches? I find that hard to swallow. A hot chick was leaning on the lettering, a ruler dangling from her fingertips.

Kelly didn't think Ryan had ten inches, but he had plenty where it counted, and as her turn came around again, she tried to match Christa's technique. It worked… for a little bit. But somewhere in the suckage, his cockhead hit that trigger way back there and she had to hand things back to her stacked counterpart. This time, she almost pulled it off. Almost, but not quite.

Kelly eagerly went at it again, believing she knew what to do. She was a college girl now, wasn't she? Time to give it the old college try.

Gag. Closer, but still gaggy. Christa chuckled, this time working her way slowly down his shaft, inch by inch, her nose just touching Ryan's curly pubes. But nope, not this time.

All three of them were breathing heavy now. Kelly was amazed at Ryan's staying power. It was well after four now. Kelly thought the longest she'd ever spent sucking dick was ten minutes, and even then, that might have been stretching it a bit. She and Christa had been swap-sucking Ryan for at least twenty minutes now. All good things, though, had to come to an end sometime, and Ryan's time was right about now.

Kelly was expecting to see Christa's cheeks puff out like a chipmunk. She watched, dying to see what it would be like. When Christa opened her mouth, Kelly was certain

she'd done it so she could watch Ryan's cum pour down her throat.

Un-unh.

Ryan erupted, blasting Christa in the face, a stream of thick love lava splattered across her chin. Struggling to keep control of Ryan's twitching hammer, she jacked him double-fisted, his second spurt spraying Kelly like a water cannon.

Jism trickled down her nose, a gummy wad hitting her right in the corner of her mouth. She scooped it off her cheek and sucked it down.

They took turns, jacking and sucking, draining Ryan's balls… eventually. And, when he was finished, they kept going, making out, tonguing the jizz off each others' faces, rolling around on the floor.

"Here," Ryan said, handing Kelly a set of keys. Dried semen and girl cum had gotten sticky on her boobs. "That one opens up the library. There's a bathroom behind Mrs. Brandt's desk. You can wash up in there."

Kelly took her time. Her whole body was humming, reverberating like a plucked string. When she finished, she turned out the lights and started back toward the office. Something stopped her, though.

Along the library wall were small photo collages, going back to the 1950s, when the school first opened. The oldest ones showed photos in black and white, changing over to color in the early '70s. She was staring at the photo in the upper right corner of a collage for the years 1995-1999. Smiling, a little self conscious because of her braces, was the 1995 valedictorian, her name printed out beneath the photo: Christa Sorensen.

Kelly smiled. Already, she'd learned a lot from the woman. There was more to come, though. Before leaving the office, Christa had pulled her aside.

"I say we try again," she suggested, giving Kelly the tongue-in-cheek hand gesture for blow job. Kelly had been all for it.

"What if it doesn't happen, though?" Kelly had asked. Christa had giggled and kissed her passionately on the lips.

"School's out, and I'm free this weekend. We'll just keep trying."

That sounded good to Kelly. After all, there was plenty of time between now and July fourth. She couldn't think of a better way to spend it. NS

How did you like getting fucked in the ass?

"It was intense, but I liked it! It kind of hurt a little bit when he was putting it in, but in a good way. But once he was mostly in it was all good. I rubbed my clit while he gently thrust in and out, and I came so much that my pussy juice dripped down to my ass crack and gave me more lubrication! Next time I try it I want an anal creampie!"
